Dear Supporter of Music,

New World School of the Arts expects high standards musically and artistically as well as academically from its student body. The mission of the Instrumental Music Division Booster Club (IMDBC) in support of these expectations is to provide assistance for these rising stars.

IMDBC, a non profit organization, wants to support the NWSA High School's Music Department by seeking donations and financial support from individuals, businesses and community organizations.

IMDBC is looking for every student to have the prospect to further his or her musical skills and abilities regardless of their financial situation and provide them with musical and educational opportunities beyond what the school is able to offer.

The Instrumental Music Division Booster Club needs your support !

Please consider monetary and/or in-kind donations. Your donation will help NWSA students achieve their musical and educational goals. Sponsors will receive a variety of incentives as well as acknowledgement at our winter and spring concerts and on our website www.imdbc.org.

Thank you in advance for supporting music in your community and at New World School of the Arts.

Sincerely,

Jose Raul Mena
IMDBC, President
